

Welcome to the Littleton Town Clerk's office

We have several forms available on the Town's website to help those of you who wish to do business by mail. Specific to the Town Clerk's office are: Birth, Marriage, Divorce and Death certificate applications. Also, there is a dog license application through the website. This application may be used for new dogs or renewals.

I have a limited amount of driver license manuals in the office should you need one. Also, you may obtain a handicapped application through my office. We have *applications only*, no placards. They are issued by the State of New Hampshire as are handicapped plates.
