

Transferring Plates

If you are transferring credit from one vehicle to another, you must have the following to do so. You are required by the State of New Hampshire to have the vehicle registration from the vehicle the license plates are being taken from. If you do not have the registration, you will need to get a duplicate copy. My office can print duplicate registrations. The owner of the vehicle must complete a State DMV form in order to receive the duplicate. The fee is \$15.00 for the duplicate and a \$3.00 fee is due the Town of Littleton for doing municipal agent work for the State. Should you wish to go to a State DMV office to get a duplicate, the fee would be \$15.00. No transfer will be allowed if the original registration or duplicate is not presented.
