Presentation:

Financial Report Needed- Rilee presented us a financial report up to the end of September which was great. We asked if in the future she could email us ahead of time (couple days prior to public meeting) so we may be prepared to discuss or answer questions. She was ok with moving forward with that process.

Interim Parks and Recreation Director Updates:

- Halloween Happenings: All the activities that Rilee and other worked hard to host went off very well.
- After School Program: Amelia updated us all on what is happening. All is good and fully staffed.
- Youth Basketball Program: K-6th grade. Need to try and get some smaller and some larger size uniforms to help fit a more variety of kids.
- Field Usage: Overall fields not in bad shape but suggestion of moving activities around so we could utilize fields better with less damage in talks with.
- Winter closing of building/water etc: Stoddard and Apthorp still on waiting to be shut down for the season. Trying to keep open as long as possible.
