Northern Pass Resolution

Article 23. To see if the Town will vote to support the following resolution:

WHEREAS the Northern Pass Power Transmission Project as presently proposed could pass through the Town of Littleton on its alternate route, and

WHEREAS this project would blight the landscape and devastate the values of properties within its transmission corridor and lines of sight, and

WHEREAS this project would make the area less attractive for outdoor recreational activities and tourism and negatively impact sightseeing, hunting, hiking, and other activities that this region depends on for revenue, and WHEREAS this project would adversely impact wildlife and wildlife habitat and wetlands located within the region, and

WHEREAS the adverse health effects of such high voltage transmission power lines on human, animal and plant life within the electromagnetic field created by the lines are not fully understood, now be it RESOLVED that the Town of Littleton strongly opposes this project, and that a copy of this resolution be sent to our President, the State Governor, our State and National Senators and Representatives and to the New Hampshire Public Utilities Commission.
